

HEIDELBERG, CARNEGIE AND SCOTT TOWNSHIP COMPREHENSIVE PLAN

Pittsburgh Metro, PA

PROJECT TYPE: Comprehensive Plan

CLIENT: Heidelberg, Carnegie and Scott Township

SERVICES: Market Analysis, Economic Development Advisory

Serving on a team with Pashek Associates, 4ward Planning is currently engaged by these three municipalities to provide demographic and market analysis services in support of a multi-municipal comprehensive plan. Other services provided include a housing analysis and economic development advisory assistance.

After a significant public outreach effort, 4ward Planning will compile a series of strategies to improve the economic outlook for the area and attract new businesses compatible with the local labor force. This work, along with strategies devised by other team members, will provide the three municipalities with an implementable plan for future growth and an updated zoning ordinance as well.
